Three Spectacular Shows
12:00 p.m. ~ 1:30 p.m. ~ 3:00 p.m.

Aerial silk is a modern circus art that has captured the imaginations of audiences worldwide.

These professional aerialists who have performed with "Cirque le Masque" will astound you with their phenomenal blend of aerial beauty and acrobatics.

As two long, luminous strands of fabric stretch from freestanding rigging high in the air, watch these performers wrap themselves into intricate knots to create an astounding array of breathtaking poses, drops, and slides.
