

THE "ICEMAN"

**Taylor Memorial Park
Saturday, July 3rd, 2010
12:30 p.m.**

"Alligator"

"Harley Davidson"

"The Iceman" has been creating artistry in ice and snow for over 29 years. Having competed and won the honor of captaining the **USA Winter Olympic Ice Carving Team**, he has carved over 7 million pounds of ice from competition sculptures to figurines to functional items such as dishware and fountains.

During this presentation, watch as "The Iceman" will change a block of ice into life! Lucky members of the audience will even have an opportunity to take home their very own ice souvenir!

Don't miss this unforgettable and entertaining experience that children and adults of all ages will be sure to enjoy!
