

**Pennsylvania Resources Council, Inc.**  
**Saturday, July 3, 2010**  
**Park Pavilion**

**Three Captivating Presentations**  
**12:30 p.m. ~ 1:30 p.m. ~ 3:30 p.m.**

**12:30 p.m. – 1:00 p.m.**  
**“Litter Prevention Program”**

This program will teach adults and children about litter and why it is a problem in the community. You will learn about the amount of litter occurring in Pennsylvania and ways it can be reduced. Stop, Look, Don't Litter! Don't Be A Litterbug!

**1:30 p.m. – 2:00 p.m.**  
**“Recycling Is Magic”**

You will be mesmerized as you watch this magician make glass bottles disappear, create a tree out of newspaper, and pull many other tricks out of his hat! In addition to abracadabra, you will learn magic words such as “reduce, reuse, and recycle.” Don't miss this entertaining presentation!

**3:30 p.m. – 4:00 p.m.**  
**“Reduce, Reuse, Recycle – Environmental Awareness”**

This presentation will introduce adults and children to the many common toxins in our environment that the human body is exposed to daily. It will raise awareness about safeguards that can be taken to reduce exposure in order to preserve good health and provide safe alternatives to products and practices that expose us to toxins. This program seeks to improve human health by reducing exposure to common environmental toxins.
