

May 3, 2021

Hello Bicycle Enthusiasts,

The Bicycle Race Committee has decided that the **2021 TOUR DE BROCKWAY** will be **CANCELLED** this year.

The Event Coordinators felt that there would be **SAFETY ISSUES** due to a major PennDot construction project in NE Jefferson County. Our Race Route would be severely compromised due to a seal coating process on the roads. Also, the CDC Guidelines have created a hindrance in our planning of the 40th Annual Cycling Event.

We wish to **THANK** all of our **SUPPORTERS & CYCLISTS** for your continued support & understanding as to our decision to cancel the 4th of July Race.

Our goal is to plan for another top-rated Bicycle Race in 2022.

Stay Safe & Keep Spinning!

Sincerely,

Terrance E. Maher, Race Director
Tour de Brockway
Karen Trudo, Assistant Race Director
